

MISSY MEYER ONE-USER DESKTOP FONT LICENSE

This is an End User License Agreement (EULA) between the end user (You) and Missy Meyer (Designer). Please read this Agreement carefully. By downloading and/or installing this font software, you are agreeing to the terms of this license. The purchase of one (1) license grants one (1) user the right to use a copy of the font software for their lifetime. You may install this font software on up to five (5) of your devices. Work computers are not included unless you work from home. A copy may be made for archival purposes.

If you need additional seats to cover multiple users and/or workstations, please contact me for extended licensing! missymeyerfonts@gmail.com.

Notes: in all of the allowed use cases below, the text must be flattened or expanded to raster or vector format before the design is sent to another person or party, so the other person/party does not need the font itself to see or use your design, unless the other person/party has also licensed the font for their own use. All allowed uses cases cover an unlimited number of end products, designs, or creations unless otherwise stated.

ADDITIONAL TERMS AND CONDITIONS

Ownership

This font software and its source code are copyrighted and contain intellectual property information protected by the laws of the United States of America, by the copyright and design laws of other nations, and by international treaties. Any copyright and other rights belong to Designer. This agreement does not give you the copyright to the design of the font software; only the rights to use the font as described in this license.

Creating New Intellectual Property

If the font is used to create a design that you wish to register with your country's copyright office, or if the font is used to create a wordmark logo or other brand identification mark that you wish to register with your country's trademark office, the font must be disclaimed as pre-existing material. You must ensure that you are claiming no ownership of the font or the typeface that it represents, nor are you claiming any exclusivity which would bar another licensee to freely use the font for their own designs.

Modification of Font Software

You can modify the font software for personal and business use under the following conditions:

1. You may make a customized version of the font software for your own use; however, you may not authorize or commission a third party to make a customized version of the font software on your behalf. Any fonts created from the licensed font software are considered derivative works, and therefore are owned by Designer. All derivative versions that you create for your own use are covered and usable under this EULA.
2. You may not distribute, reproduce, sell, transfer, license, or give away your adaptations of the font.
3. Each user that has access to the modified font software shall count as one of your licensed number of users. If the license you have purchased is a one-user license, you may not allow any other person to use the modified font software.
4. Alterations to the expanded, flattened, or rasterized outlines of the characters of the font for use in designs, logos, or other words/phrases are not considered to be a modification of the font software itself, and are permitted.

Termination

Designer has the right to terminate your license immediately if you fail to comply with any term of this EULA. Upon termination, you must destroy the original and any copies of the font software and documentation.

Disclaimer and Warranty

Designer makes no warranties expressed or implied as to merchantability, fitness for a particular purpose, or otherwise. Without limiting the aforementioned, Designer shall in no event be liable for any direct, indirect, consequential, or incidental damages, including damages from loss of business profits, business interruption, and loss of business information, arising out of the use or inability to use the product. All implied warranties of merchantability or fitness for any particular purpose are specifically excluded and disclaimed. Some states/countries do not permit the exclusion of implied warranties, and you may have other rights which may vary from state/country. Designer shall not be liable to you or any other person or entity for any general, special, direct, indirect, consequential, incidental or other damages arising out of the use of the font software. Some jurisdictions do not allow the exclusions of limitations related to purchases by consumers. To the greatest extent permitted by law, any implied warranties or exclusions not effectively excluded by this License are limited to thirty (30) days. Designer reserves the right to decline to license this font software to any party at Designer's sole discretion.

Any end use not specifically noted as "allowed" in this EULA should be considered not allowed. If you have questions about an end use you don't see addressed, please contact the Designer for clarification at missymeyerfonts@gmail.com.
